

AUDIOLOGY PATHWAY TO CERTIFICATION

1

Graduate

Earn your doctoral degree from a CAA-accredited program.

PRO TIP: Save \$225 on your first year of ASHA Membership and Certification by maintaining NSSLHA membership for 2 consecutive years. Find out how by visiting www.asha.org/Members/NSSLHA

2

PRAXIS

Take and pass the Praxis Examination in Audiology at any time before, during, or after applying.

3

Apply

Submit your online application for the Certificate of Clinical Competence in Audiology (CCC-A) to ASHA. Read the current audiology standards to be aware of any changes.

PRO TIP: Apply for ASHA certification with membership between January 1–August 31 to take advantage of ASHA's New Professional Membership Package that offers up to two years of membership for the price of 1. Find out more by visiting www.asha.org/members/NewProfessionalMembershipPackag

4

Join

Choosing ASHA membership with your certification allows you to enjoy member benefits that support knowledge, Learning, Advocacy, and Community

5

Review Period

The application review process can take up to 6 weeks from the date your last document is received. Certification is granted when all of your documents have been received and approved.

6

Certified

CONGRATULATIONS! You have been awarded the CCC-A and your new ASHA card will be arriving soon. You may now use "CCC-A" after your signature.
